

UNITED STANDARD ASSOCIATION OF CLEANERS

United in Excellence, Standard in Cleanliness-Your Trusted Janitorial Partner!

UNITED STANDARD ASSOCIATION OF CLEANERS LLC

United Standard Association of Cleaners, LLC (USA-Cleaners) is a Louisiana-based janitorial service provider specializing in high-quality cleaning and maintenance for federal, state, and local government facilities, certified as a Small and Emerging Business Enterprise (SEBE) under Louisiana Economic Development's Hudson Initiative. We are committed to meeting government standards with a focus on quality, safety, and client satisfaction. Our strategic partnerships and extensive expertise allow us to deliver reliable, compliant services, making us a trusted partner for government contracts across a range of facility needs.

CORE COMPETENCIES

- **Daily Cleaning Services:** Comprehensive routine cleaning including vacuuming, dusting, waste management, and surface cleaning tailored to the needs of government facilities.
- **Sanitation Services:** Expert disinfection and sanitization of high-touch surfaces and common areas to ensure a hygienic environment.
- **Specialized Deep Cleaning:** Thorough cleaning of carpets, upholstery, and specialized areas, designed to address complex cleaning requirements.
- **Maintenance Services:** Ongoing facility maintenance and repair services to address and resolve issues promptly.
- **Green Cleaning Solutions:** Eco-friendly cleaning services using sustainable products and practices to maintain a healthy environment while reducing environmental impact.
